

A TASTE FOR SPACE

Original networking dinner with astronaut food & nutrition as the central theme

WHAT

A networking dinner in an inspirational space environment. The theme is astronaut food & nutrition. This links space content and networking in an original way. After all: food connects people everywhere - in space and in business. Group: min. 40 p.

FOR

Groups that want an out of the box networking experience. Management groups, company days, client days, annual meetings, conference groups, etc.

PROGRAMME

Welcome drinks, presentation astronaut food & nutrition, get some real ESA astronaut food in your hands, starters, tour zero-g, space lab, ISS, Mars Lab, Mars rover, main course, video tour of ISS, dessert and coffee, end of event. Mix of dinner, networking and educational content as "food for thought".
