

CUSTOM TOUR

Customisable with extra's such as specific topics, catering, speaker, lab, etc.

WHAT

A tour that allows you to customise the presentation with specific topics, add coffee-tea, lunch, snacks, drinks, extra speaker, a lab or a facility. You can tailor the tour to the interest of your group. Group: 12-60 p. Duration: 3-4 hours.

FOR

Business or conference groups that want more than the BASIC TOUR. If you feel extra options will add value to company day, team building day, etc.

PROGRAMME

A customised presentaiton with a tour covering the exhibition about zero-g research, space lab, Mars Lab, ExoMars rover, 3D printing for space. Depending on your time, interest and budget, we can add a variety of extra's like catering, time for networking, extra speaker, lab or facility (depending on availability).
